

Home is a place of comfort, safety and sense of family. However, the ability to stay home can become difficult as one ages or is found to be in failing health. All Elderly Cares makes it possible for you to enjoy the comforts of your home and at the same time have a higher level of function and quality of life.

All Elderly Cares live-in and live-out services provide clients with a safe, nurturing and protective home environment while empowering them to function independent by addressing their unique physical and emotional needs.

Our services include, but are not limited to:

Total caregiving:

- Individualized care and supervision
- Attention to special needs
- Companionship

Specific services:

- Assistance in bathing, dressing, grooming, transferring, toileting / incontinence care
- Medication reminders / doctor visitations / consultations.
- Meal preparation and feeding
- Light housekeeping and laundry
- Grocery shopping and other errands
- Escort/transportation

Client assessment

Our goal is to ensure the most efficient, appropriate and affordable caregiving services to our clients.

To achieve this, we provide opportunities for dialogues and conferences with family members at no extra cost.

AllElderlyCares

TO US, IT'S PERSONAL

Satisfaction guaranteed

Our rates are competitive, flexible, and may vary depending on the level of care provided. Rates can be customized to meet the client's needs.

Our commitment: To provide trained, efficient and highly responsible and dependable employees who have lots of devotion to their jobs as caregivers.

Our services: We can assure you that we can find the right caregiver for your loved one. We are available 24/7 to give you peace of mind.

Knowing our clients' special needs and requirements will lead us to a planned and specific effort in providing the care and attention they need. The assesment process, with the active participation of family members, will aid us in understanding our clients unique conditions, so that we can better respond in terms of tasks, skills and quality of care needed.

Our goal is to nurture life... to understand and respect the needs and strengths of our clients the best way we could in order to give them a higher level of function and quality of life.
